

Vantaca[®] Home

SIMPLIFIED SELF-SERVICE
FOR HOMEOWNERS ON ANY DEVICE.

PEACE OF MIND
FOR COMMUNITY MANAGERS.

The image displays two views of the Vantaca Home user interface. On the left is a desktop dashboard for a user named James, showing account details for 'Presidential Valley (Master)' with a balance of \$459.00. It features sections for 'Payments', 'Recent Requests' (including ARC and Fee Waiver requests), 'Recent Reservations' (Tennis Court B and Clubhouse requests), and 'Messages'. On the right is a mobile app view for the same user, showing account details for '1000 Lakeside Ave, Lake Worth Estates' with a balance of \$159.00. The mobile app also shows 'Recent Requests' and 'Reservations'. A house icon is overlaid on the bottom right of the mobile app view.

FOR HOMEOWNERS & BOARD MEMBERS

Everything they need, from payments to service requests to documents, right at their fingertips.

FOR COMMUNITY MANAGERS & CUSTOMER SERVICE

Fewer emails and phone calls. When homeowners make requests, Vantaca turns them into tasks automatically.

BENEFITS OF VANTACA HOME

FOR HOMEOWNERS

- ✓ **USER-FRIENDLY EXPERIENCE:** Intuitive and easy-to-navigate portal keeps homeowners informed and engaged.
- ✓ **CUSTOM BRANDED MOBILE APP:** Consistent experience from desktop to mobile. Build trust in your brand with your own branded app.
- ✓ **EASY PAYMENTS:** Simple online payments with mobile-friendly options. Plus, friendly reminders to make payments on time
- ✓ **AMENITY RESERVATIONS:** Reservation system for shared amenities with instant confirmation. Homeowners can check the community calendar to stay informed.

FOR BOARDS

- ✓ **AUTOMATED ARCHITECTURAL REVIEW VOTING:** Say goodbye to time-consuming architectural review decisions. Integrated, transparent process for your boards to vote and see results fast.
- ✓ **BOARD-LEVEL VISIBILITY:** Boards have access to real-time documents, financials, and reports to stay up-to-date and make informed decisions.

FOR COMMUNITY MANAGERS

- ✓ **AUTOMATED FOLLOW-UPS:** When homeowners make requests, Vantaca turns them into tasks and adds them to a workflow automatically.
