

Data Migration **MADE EASY**

with **Vantaca**™

As part of Vantaca's Implementation team, you will have access to **dedicated data migration specialists** to ensure your data is **smoothly migrated** into our **streamlined system**.

YOUR DATA IMPORTED

- ▶ Vantaca has imported data from more than 24 different softwares.
- ▶ Almost no manual adjustments needed on:
 - Chart of Accounts
 - Budgets
 - Homeowner List
 - ACH
 - AR
 - Prepaid
 - GL Trial Balance
 - Collection Statuses
 - Bank Reconciliations
- ▶ Vantaca can customize and change data imports based on unique needs to help avoid manual changes.
- ▶ Import from more than one software at a time available if you are transitioning from multiple softwares.

YOUR DATA IN VANTACA

- ▶ Final financial data import is tested on one association first to ensure it is up to your specifications before importing all associations' data.
- ▶ Output files help track any data imports to help you identify any bad data present in prior software.
- ▶ Separate project plan available for our clients bringing on an acquisition to assist in importing the data.

DATA MIGRATION EXPERTS AVAILABLE FOR YOU

- ▶ Data migration specialist there to assist you through how to pull each file from all known softwares, and help you investigate the best way to pull data out of any unknown softwares.
- ▶ Data specialists are available daily to answer questions you have.
- ▶ 5 business day turnaround time for each item to be imported and audited.
